

Clear Falls High School Aquatics Booster Club

Dear Community Member,

The 2022 – 2023 Aquatics season is officially underway! Last year was an incredibly successful one and we hope to continue that tradition this coming year. Some of the 2021-2022 teams' achievements included:

- 2022 24-6A Boys District Champs/Girls 4th place
- 2022 24-6A Girls JV District Champs/Boys 3rd place
- Kendall Reno broke the 200 freestyle school record
- Anna Huang broke the 100 butterfly school record
- Boys Swimming Coach of the Year
- Diving boys silver medalist at district level and regional qualifier
- 2021 6-6A Boys Regional Runners-Up/ Girls 7th Place
- 7 Waterpolo players named to the all-district teams

CCISD provides only limited funds to support the aquatics program; the Aquatics Booster Club augments those funds to supply the following:

- Tournament and Meet Fees
- Transportation Costs to local, regional and state competitions
- Record and Roster Boards in the CFHS Natatorium
- Training Equipment such as balls, player caps, kickboards, etc.
- End of the Year Awards Banquet for **ALL** Aquatics Athletes

We need your help. While the parents of the players are the major contributors to the CFABC, we welcome contributions by area businesses. Clear Falls hosts a Fright Knight swim meet in the spring and a water polo tournament in the fall. Both events bring in teams from across the Houston area and offer greater visibility to any sponsors' advertisement. Your sponsorship of our team will be acknowledged with a sign at the Clear Falls High School Natatorium for all home events, as well as recognition on the CFABC website and acknowledgement at the end-of-year awards banquet. We are a 501(c)(3) organization and all donations are tax deductible.

Please consider helping us to continue this great local program with a donation. Thank you so much for your support of the 2021-2022 Clear Falls Knights!

With Gratitude,

Clear Falls Aquatics Booster Club
